Bobong Campsite

Contact: John & Amanda Perrett
olmaisor@africaonline.co.ke

Location: Situated on Ol Maisor a working family ranch, north of Rumuruti, Bobong Campsite is located on a small escarpment overlooking the Ewaso Narok Swamps, the Laikipia plains, Mount Kenya and the Aberdare Range.

Description: Bobong is a self-help campsite. Its location attracts a great variety of bird life. Not only are the plains and rocky species abundant, but Ol Maisor Ranch has many water and some forest birds too. In 2003, Bobong rated 3rd in Kenya's World Birdwatch count. Bobong is an ideal destination and starting point for camel safaris, as well as educational and adventure holidays for groups, families and individuals. Activities are arranged according to guest's interests and budget.

Accommodation & Facilities: Other than plenty of space to camp, Bobong has one self contained banda, one plain banda and two open sided bandas. There are simple communal bathroom facilities, including hot showers, and two barbeques for guests to use. The campsite also has a small pool and a 'jungle-gym'.

Hosted By: John and Amanda Perrett live and work on the ranch. They have four children and numerous pets. A team of staff are on hand to help look after guests at the Campsite. Experienced guides are available to accompany guests on nature walks.

Activities:

- Camel riding and safaris
- Bird walks, nature walks and swamp visits
- Mountain biking and oxcarting
- Bird and clay shooting
- Fishing and crayfish catching
- Punting on the dams and tubing on the river – in season
- Cultural trips and farming activities
- Educational school outings, geography outings
- Take on the challenge of the Campsite's obstacle course

Optional Extras: Camping equipment and supplies, camel safaris and personal guiding.

Closed Season: Bobong Campsite is open all year round.

Access: 20 kms by road from Rumuruti, or via Nyahururu or Nanyuki. The Ranch does have an airfield should guests wish to fly in.
