Mukima House

Contact: Leslie Duckworth: devcom@africaonline.co.ke

Location: Just outside the town of Nanyuki at the foothills of Mount Kenya on a 360 acre farm. The house overlooks rolling lawns, a dam attracting a diverse array of bird life, a salt lick, and the mountain peaks.

Description: Mukima House is an old cedar wood farm house built during the early 1900's, when the land was used for cattle ranching. The grand old farm house, uninhabited for several years has been restored to its original glory and fitted with attractive furniture and striking décor in Africa/far eastern style.

Accommodation/Facilities: The double story house has 6 spacious bedrooms with en-suite bathrooms (3 doubles and 3 twins). It can comfortably accommodate 6 couples, and extra beds can be added for children. It also comprises of a lounge, study, games room, TV room, Kitchen and dining room with French windows that opens on to the front lawn.

Hosted by/The Team: The house has a full team of staff, including hosts, chefs, room stewards and security guards. The house is let out on a self catering basis.

Activities:

- Game drives to neighbouring reserves including Ol Pejeta Conservancy and Solio Game Reserve
- Fishing trips on Mount Kenya
- Horse riding
- Bird watching and nature walks
- Swimming in the pool, croquet on the lawns
- Massage

Optional Extras: Catering, visits to game parks, fishing on Mt., horse riding, massage.

Seasons: Open all year round

Access: By vehicle from Nanyuki town is 20 minutes. The road is rough and 4-wheel drive vehicle is recommended.
