PART II- DECLARATION OF PROTECTED WETLANDS

Declaration of protected wetland areas

- 3.** (1) The Cabinet Secretary shall, on recommendation of the Service, in consultation with the National Land Commission, and following the procedure set herein, by notice in the Gazette declare a wetland that is an important habitat or ecosystem for wildlife conservation a protected wetland.

(2) A declaration of a protected wetland shall be made only after the Service has conducted appropriate public participation consultations within the affected community through-

- (a) County steering committees;
- (b) Sub county steering committees; and
- (c) Village Barazas.

(3) After a declaration of a protected wetland the Service shall, in collaboration with the person or community holding a legal or communal interest in the wetland and the relevant lead agencies, prepare an Integrated Wetland Management Plan for the conservation and management of the protected wetland through a public consultative process.

(4) A declaration made under sub-regulation (1) shall state whether a wetland is a –

- (a) fully protected wetland;
- (b) partially protected wetland; or
- (c) is subject to conservation by the local community.

(5) A wetland declared under sub-regulation (4) (a) shall be any area rich in biological diversity and holding ecological importance, landscape, natural heritage or a tourist attraction in which the following activities may, on application to the Service through Form A prescribed in the First Schedule herein and upon issue of a permit, be allowed –

- (a) research;
- (b) tourism; and
- (c) restoration of the wetland.

(6) A permit issued under these Regulations shall be in Form B of the prescribed in the First Schedule.

(7) A wetland declared under sub-regulation (4) (b) shall be an area in which only recreation and tourism activities shall be permitted.

(8) A wetland declared under sub-regulation (4) (c) shall be an area in which a person or community holding property rights in the land may carry out the following traditional activities subject to such restrictions as may be imposed by the Service-

- ii. any cultivation where the cultivated area is not more than 25% of the total area of the wetland;
- iii. fishing using traps, spears and baskets or other method other than weirs; and
- iv. collection of water for domestic use.

(9) The wetlands specified in the Third Schedule to these Regulations are declared to be wetlands of international and national importance.

Procedure for identification of protected wetlands

4. (1) The Service shall, within a period of one year from the commencement of these Regulations prepare and send to the Cabinet Secretary a proposed catalogue identifying and classifying proposed protected wetlands within the Republic of Kenya.

(2) The catalogue identifying and classifying proposed protected wetlands shall be accompanied with the following information:

- (a) a broad geographic description and delimitation of each of the proposed protected wetlands;
- (b) its zone of influence along with a map (accurate and to scale);
- (c) the size of the wetland; and
- (d) an account of pre-existing rights and privileges, consistent with the ecological health of the wetland.

(3) On receipt of the list of proposed protected wetlands and documents in sub-regulation (2) the Cabinet Secretary shall forward the list to the Wildlife Research and Training Institute who shall within a period of six months conduct a survey of the proposed protected wetlands and submit a report to the Cabinet Secretary either in support or objection to the proposals.

(4) Upon receipt of the report the Cabinet Secretary shall within thirty days gazette and notify residents of the areas recommended as protected wetlands and invite objections and submissions thereto, if at all.

(5) Objections to any area being declared a wetland shall be lodged with the Cabinet Secretary within thirty days of gazetement and notification and shall be heard and determined within sixty days of receipt.

(6) The Cabinet Secretary shall within a period of thirty days thereafter arrive at a decision on the areas to be declared protected wetlands and shall accordingly gazette them.

(7) The Cabinet Secretary shall cause to be published and significantly displayed notifications identifying protected wetlands within the areas of concern, in both English and swahili languages.

(8) The Cabinet Secretary may without an application from any party or upon application, review any decision under these Regulations or issue direction for inclusion of any protected wetland under these Regulations.

Categories of protected wetlands

5. The following shall be regarded as protected wetlands under section 33(3) of the Act and shall be gazetted as protected wetlands that require special safeguard-

- (1) wetlands declared as such by the Cabinet Secretary under section 33 (1) of the Act in accordance with the procedure set down in Regulation 4 herein;
- (2) any area or land declared as an important wetland under the Convention of Wetlands of International Importance, 1971;
- (3) wetlands recognized as or lying within a UNESCO World Heritage Site;
